Customer Problem Statement Template for Cosmetics Insights-Navigating Cosmetics Trends and Consumer Insights with Tableau:

Problem Statement	I am (Customer)	I’m trying to	But	Because	Which makes me feel
PS-1	a skincare enthsusiat	Find trending but affordable cosmetic products that suit my skin type	The market has too many products with confusing claims	There's no centralized data that shows real consumer insights or trend patterns	overwhelmed and unsure about what to buy

PS-2	a cosmetic brand marketer	understand customer preferences and emerging beauty trends	traditional surveys and social media tracking give incomplete or biased results	hey lack realtime, datadriven visual insights	frustrated and uncertain while planning product campaigns

I am

I'm trying to

but

which makes me feel

A 22-year-old college student who loves skincare and is active on Instagram, follows beauty influencers, and frequently shops online

Discover trendy but affordable cosmetic products that match my oily skin type and are actually effective

There are too many products with similar claims and it's hard to trust which one is best for me

Confused, overwhelmed, and worried I'll waste money on something that won't work for me
